

The First Security Bank of Utah's building in Heber, erected in 1950.

BANKING

As business prospered in the community, banking became a part of the business picture. The first commercial bank, The Bank of Heber City, opened in 1904. An advertisement in the Wasatch Wave near Christmas of 1908 told the people: "Begin the New Year Right by opening an account with the savings department of the Bank of Heber City. We receive deposits of One Dollar and upwards."
